

England

- The overland parcels for shipment to Georgia are accepted at the agent's office of "Georgian Post" LTD in **London**.
- The agent determines **the cost of shipment** of the overland parcel from England to Georgia.
- The overland parcels are typically sent from England to Georgia **on Sunday**.
- The delivery period for the overland parcel to Georgia and transferring it to “Georgian Post” service centers and contractor offices is **no more than 12–14 calendar days** after its shipment.
- The sender does not have the right to send by overland parcel those items and goods, the sending of which is **prohibited** by the legislation of the sending country, as well as the transit country and Georgia. It is also prohibited to send fragile items (including TVs, dishes, etc.) by overland parcel;
- The sender is responsible for **properly packing** the overland parcel. The overland parcel must be packed safely and in such a way as to prevent damage to its contents during transportation. At the same time, such packaging must not damage other overland parcels during transportation and should not create problems for persons who will carry out further processing, transportation, and/or warehousing of the overland parcels.
- Delivery of the overland parcel to the addressee is carried out at service centers and contract offices serving the address or zip code of the recipient indicated on the parcel.
Please note that “Georgian Post” LTD has the right to change the delivery location of the package and send it to another service center or contractor office in the same region/district/area.
